

# KANZAQuest

**KANZAQuest LLC**

*A Group Event & Tour Logistics Coordination Service*

KANZAQuest specializes in coordination of domestic and international travel experiences with tours contracted with the host entity/organization. An internationally recognized vendor is utilized to help meet our objectives for professional attention to detail while providing a comfortable pace and balanced blend of fun and education. KANZAQuest tours allow participants to enjoy culturally enriching opportunities and lifelong learning.

*Fees are based on double occupancy where applicable, but participants may travel as a single (supplement required). Our threshold for events and tours is a minimum of 15 paid participants. All event and tour fees cover net expenses including the KANZAQuest management fee (Net = Cost +).*

KANZAQuest also offers specialized professional improvement clinics, workshops and conferences on a regional and statewide basis. KANZAQuest will serve as the logistical coordinator, fee collection and vendor payment service and will coordinate the event marketing as well as event operations.

---

**\*What's Behind Our Name:** The Kaw Nation (Kanza, or Kansa) comes from the central region of the American continent. The tribe known as Kaw have also been known as the "**People of the South Wind**". The name of our state, "KANSAS", was derived from the name of this tribe.

**Quest**--A quest is all about seeking something important, and it often involves a journey.
